

**Theme: School**

Students should be able to:

- Ask a friend what is the name of their school?
- State the name of their school
- Ask what someone's school is like.
- Describe the physical characteristics of their school.
- List facilities at their school.
- Ask what subjects are done at their school
- List the various subjects they do.
- Give reasons for liking or disliking a subject
- The verb **gustar**.

*At the end of this unit, the goal is for students to be able to:*

- respond to situations about school
- write a letter giving details about their schools
- read a comprehension passage and respond to questions in English on the topic.

**Letter writing**

- Students will learn the format of writing a letter to a friend in Spanish with the key points: date, opening, body, closure.

**Present tense of regular verbs (AR, ER and IR verbs)**

- Students will be able to conjugate regular verbs in Spanish in the present tense

**Theme: Hobbies**

Students will be able to:

- Ask about leisure activities
- State what they enjoy doing
- State what other members of their family/ friends like to do.
- State why they enjoy certain leisure activities
- Give information about which activities they do not like with reason.
